

Resource: "Where Does Tithing Go" – *Friend* September 2005

Where Does Tithing Go?

1 When we earn money, we pay 10 percent to the Lord. This is called tithing.

2 We give our tithing to the bishop or branch president or one of his counselors,

3 who then counts and records it with the help of a ward or branch clerk.

5 It may be used to help build a new meetinghouse.

4 Then Church leaders in Salt Lake City, Utah, decide where the tithing is most needed.

6 It could go toward building a new temple.

7 Or maybe your tithing will help publish materials for missionary work.

8 No matter how your tithing is spent, it helps with the Lord's work on earth.
