

What	Liahona	Words of Christ
Where the direction is found.	Spindle pointers and Words	Scriptures, Prophet, Holy Ghost
Where does it lead to?	Promised Land	Eternal Life
Things that prevent it from working.	Lack of faith in God, and lack of diligence and heed given to the directing compass.	Lack of faith in God. Lack of heed and diligence in studying, seeking, and obeying the words.
Difficulties suffered without guidance.	Lehi and his family did not progress in their journey; they lingered in the wilderness, or they did not travel a direct course, and they suffered from lack of food and water.	Temptations are harder to resist, and sin causes suffering. If we linger in the “wilderness” we may not reach our goal of eternal life.
