

You give me a
kiss.

You give me a
hug.

You **smile** when
you see me too.

I wish every
child in the
whole wide
world

Had a **father** just
like you!

You **read** me a
book.

You **sing** me a
song.

You **whisper**
you love me too!

I'll **try** to be
good.

I'll **do** as I
should.

I'll whisper **"I
love you too"**!
